Withholding Certificate for **Pension or Annuity Payments**

OMB No. 1545-0415

Purpose. This form is for U.S. citizens, resident aliens, or their estates who are recipients of pensions, annuities, including commercial annuities, and certain other deferred compensation. Use this form to tell payers the correct amount of Federal income tax to withhold from your payment(s). You also may use this form to choose (a) not to have any income tax withheld from the payment (except for eligible rollover distributions or payments to U.S. citizens delivered outside the United States or its possessions) or (b) to have an additional amount of tax withheld.

Your options depend on whether the payment is periodic, nonperiodic, or an eligible rollover distribution as explained on page 3. Your previously filed Form W-4P will remain in effect if you do not file a Form W-4P for 2002.

What do I need to do? Complete lines A through G of the Personal Allowances Worksheet. Use the additional worksheets on page 2 to adjust your withholding allowances for itemized deductions, adjustments to income, or multiple pensions/more-than-one-income situations. If you do not want any income tax withheld, you can skip the worksheets and go directly to the Form W-4P below.

Sign this form. Form W-4P is not valid unless you sign it.
